Your Touchstone Energy® Cooperative

Rural Electric Convenience Cooperative is offering \$5,000 grants to four nonprofit organizations that can demonstrate the need for additional resources to benefit our community. By providing the information below, your non-profit group may be eligible to receive a **Co-op Community Grant**. The \$20,000 grant total is made possible by RECC's contribution of \$10,000 and matching funds provide by CoBank's **Sharing Success** program. We look forward to reviewing your application.

All applications should include the following details:

1. A description of the proposed project or request.
2. Total project cost and an itemized list of funds requested.
3. An explanation of why outside funds are necessary to carry out the project.
4. Number of people who will be affected by the Co-op Community Grant.
5. Amount of time that the grant will benefit the community.

Eligibility: Limited to organizations located in RECC's service area.

Deadline: Application forms must be received at Rural Electric Convenience Cooperative's office by mail, drop-off delivery or e-mail no later than **April 30, 2023**. Awards will be announced by May 16, 2023

Judging Process: Applications will be reviewed by an impartial panel and applicants may be contacted if additional information is needed.

Publications: RECC reserves the right to photograph and use names and images of winners.
